We are your Spanish friends Juncal Elizazu and Jordi Vilaseca, founders and managers of Destination Spain. We decided to start this adventure for one single reason: The passion. Passion for traveling, for our amazing country, and for achieving the excellence in welcoming travelers with the warmth that only a friend can provide.

We travel beside you

First of all we consider ourselves travelers. Traveling made us realize the importance of having the best local host. Enabling the creation of this personal experiences was our career as professional organizers of trips and events, working for outstanding agencies and operators.

We know how to make the traveler feel the real protagonist of his own experience, and enjoy the brighter side of our dazzling country.
